Dear Mr Thinus Oelofse and Mr Mvimbi Joseph Nkosi

**PROVIDER ACCREDITATION NOTIFICATION**

This letter serves as confirmation that **PRECISION SKILLS DEVELOPMENT AND TRAINING** has been approved for accreditation by the Construction and Training Authority (CETA).

Your application has been evaluated and the outcome is that your company complies with the application of the national qualifications Framework act 67 of 2008 1 (a); (i) and (ii) and as per delegation of quality assurance functions conferred to the CETA by the QCTO.

The period of accreditation is valid from **02 December 2020** to **31 August 2023**.

**List of Qualifications:**

Qualification ID	Qualification Title	Level
65789	National certificate: Construction Plant Operation	2

The total credits of the qualification will be determined by a detailed scope of the provider for and see attached

CETA will continue to monitor the standard of your training to ensure that it is in line with the learning Pathways and quality Development (LPQD) provisions; and as per your Quality management Systems.

You will be contacted in this regards.

In respect to your Accreditation your attention is drawn to the following LPQD provisions:

1. The CETA accepts that secondary providers can use all their recognized facilitators and registered assessors.
2. All providers are to ensure that the CETA Head office is notified of any training taking place prior to the commencement date.
3. All providers are to ensure that only learners complying with qualifications entry requirements be accepted on accredited training; Register all learners within a week from commencement on the CETA indicium system,
4. Register and update all learner assessments on the CETA indicium System after the learner has been deemed competent on a specific unit standard.
5. Inform the CETA within ten (10) working days of any changes to facilitators and/or assessors employed or to the status quo that would affect the applicant's competence.
6. Allow any authorized personnel of the CETA entry to the training premises to conduct auditing and monitoring activities and a moderate internal moderation relevant to the scope of accreditation.
7. Training providers are only allowed to conduct training and assessment on CETA qualifications and unit standards for which they are accredited on by CETA.
8. Your accreditation is on the basis that your current site complies with the requirements, should the provider wish to move to a new or satellite training site, a new application for must be submitted.

Kind Regards,

Advisor: Core Business

**List of Qualification**

Qualification ID	Qualification Title	Level
65789	National Certificate: Construction Plant Operations	02

The total credits of the qualification will be determined by the detailed scope the provider is accredited for.

CETA will continue to monitor the standard of your training to ensure that it is in line with the Learning Pathways and Quality Development (LPQD) provisions, and as per your Quality Management Systems.

You will be contacted in this regard.

In respect to your Accreditation your attention is drawn to the following LPQD provisions:

1. The CETA accepts that secondary providers can use all their recognized facilitators and registered assessors.
2. All providers are to ensure that the CETA Head office is notified of any training taking place prior to the commencement date.
3. All providers are to ensure that only learners complying with qualifications' entry requirements be accepted on accredited training; Register all learners within a week from commencement on the CETA Indicium System.
4. Register and update all learner assessments on the CETA Indicium System after the learner has been deemed competent on a specific unit standard.
5. Inform the CETA within ten (10) working days of any changes to facilitators and/or assessors employed or to the status quo that would affect the applicant's competence.
6. Allow any authorized personnel of the CETA entry to the training premises to conduct auditing and monitoring activities and to moderate internal moderation relevant to the scope of accreditation.
7. Training providers are only allowed to conduct training and assessment on CETA qualifications and unit standards for which they are accredited on by CETA.
8. Your accreditation is on the basis that your current site complies with the requirements, should the provider wish to move to a new or a satellite training site, a new application for accreditation must be submitted.

List of Qualification:

Qualification ID	Qualification Title	Level
77063	National Certificate: Construction Health and Safety	03

The total credits of the qualification will be determined by a detailed scope the provider is accredited for and please see attached.

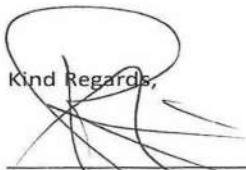

CETA will continue to monitor the standard of your training to ensure that it is in line with the Learning Pathways and Quality Development (LPQD) provisions; and as per your Quality Management Systems.

You will be contacted in this regard.

In respect to your Accreditation your attention is drawn to the following LPQD provisions:

1. The CETA accepts that secondary providers can use all their recognised facilitators and registered assessors.
2. All providers are to ensure that the CETA Head office is notified of any training taking place prior to the commencement date.
3. All providers are to ensure that only learners complying with qualifications' entry requirements be accepted on accredited training; Register all learners within a week from commencement on the CETA Indicium System;
4. Register and update all learner assessments on the CETA Indicium System after the learner has been deemed competent on a specific unit standard.
5. Inform the CETA within ten (10) working days of any changes to facilitators and/or assessors employed or to the status quo that would affect the applicant's competence.
6. Allow any authorised personnel of the CETA entry to the training premises to conduct auditing and monitoring activities and to moderate internal moderation relevant to the scope of accreditation.
7. Training providers are only allowed to conduct training and assessment on CETA qualifications and unit standards for which they are accredited on by CETA.
8. Your accreditation is on the basis that your current site complies with the requirements, should the provider wish to move to a new or a satellite training site, a new application for accreditation must be submitted.

Your institution should submit learner information data quarterly to the QCTO per the load specifications provided by the QCTO. Ensure you reference the accreditation number when submitting your electronic data files to the QCTO during your data load cycles. The accreditation will be revoked if there is no learners uptake within the first two years of accreditation.

The QCTO quality assurance department will occasionally send forms and documents that need to be filled out and complied with, as per the [QCTO policies](#). Ensure that your institution complies with all requirements. Quality Assurance representatives from the QCTO, SETA's or QCTO Quality Partners (QP) may occasionally visit the institution without any prior notice and conduct quality assurance audits. Ensure that you comply with the [National Qualification Framework Amendment Act 12 of 2019](#), with a specific focus on section 32B, amongst others.

Qualification documents, supporting curriculum documents, and [policies](#) can be found at: <https://www.qcto.org.za/> and <https://www.saga.org.za/>.

**You are not allowed to issue any certificates. Should you be found issuing certificates, your accreditation will be revoked.**

**Period of Accreditation: 5 Years, or until the expiry of the qualification or de-accreditation, whichever comes first.**

**Accreditation Start Date: 2025-08-15T00:00Z**

**Accreditation End Date: 2030-08-14T22:00Z**

Yours sincerely

**Mr Emmanuel R Mbuwe**
